

Thank you for taking the time to recycle your unwanted materials. According to the EPA there are many benefits of recycling including:

- Reduces the amount of waste sent to landfills and combustion facilities
- Conserves natural resources such as timber, water, and minerals
- Prevents pollution by reducing the need to collect new raw materials
- Saves energy
- Reduces greenhouse gas emissions that contribute to global climate change
- Helps sustain the environment for future generations
- Helps create new well-paying jobs in the recycling and manufacturing industries in the United States.

The Athens-Hocking Solid Waste District provides residential recycling drop off locations throughout Athens and Hocking Counties. These locations are permanent single stream containers that accept various materials

including:

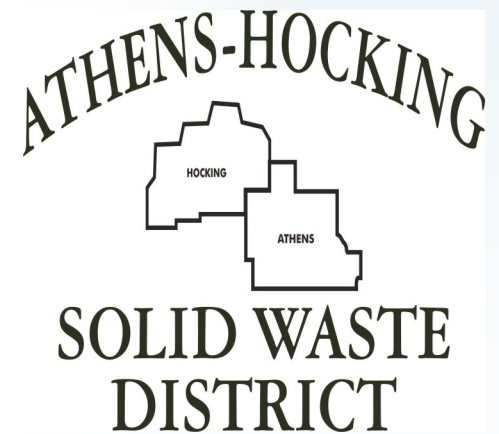

- ◆ Paper
- ◆ Plastic
- ◆ Cardboard
- ◆ Steel
- ◆ Aluminum
- ◆ Glass

Please check out our website for a location close to you.
